

2015 San Francisco Chinese Alzheimer's Forum 2015 舊金山華人阿滋海默症論壇 Presented in English/Cantonese

Have you ever experienced memory problems? Do any of your family/friends suffer from Alzheimer's disease or related dementia, or are overwhelmed by the caregiving tasks? Welcome to a free English/Cantonese bilingual health seminar. It will help you better understand Alzheimer's disease and related dementia, equip you with practical tips in caring for one affected by it, plus more information on community resources that you might need in reaching out for help.

Speakers

- Howard Rosen, MD, UCSF Memory and Aging Center
- Josephine Lee Wong, RN, Fook Hong Care Home
- Caregiver

您有沒有經歷過記憶力的問題？您有親人或朋友正在經歷阿滋海默症及相關失智症的困擾，或為照顧患者而感到不勝負荷嗎？歡迎參加我們免費的英/粵雙語健康講座。它可以幫助您更好地認識阿滋海默症及相關失智症，學習照顧病人的實用技巧，以及相關的社區資源。

演講嘉賓

- Howard Rosen醫師，加州大學舊金山分校記憶與衰老中心
- 黃李修名，註冊護士，福康之家負責人
