A Lecture on Heart Health in Memory of Mayor Edwin Lee

亞裔的心臟健康講座：紀念李孟賢市長

Mayor Edwin Lee regrettably suffered a fatal heart attack a short time ago. While we still mourn for his loss, the striking threat of heart disease in Asians turns vivid. Many in the community wondered if we would know before heart attack strikes. What can and should we do to prevent major heart attacks? Dr. Gordon Fung, an expert cardiologist at UCSF and Director of the Asian Heart & Vascular Center, will give us invaluable, lifesaving advice regarding heart attacks in this free and bilingual (English/Cantonese) lecture in memory of our Mayor. All are welcome.

市長李孟賢不幸在不久之前心臟病發逝世，令人遺憾。當我們哀悼痛失市長之同時，也想起了心臟病對亞裔的威脅。我們會能在心臟病發之前知道嗎？我們又可以做些什麼和怎麼做以防止心臟病發呢？加州大學舊金山分校的心臟專家和加大亞裔心血管中心主任馮連甘教授，將在這免費的雙語（英語／粵語）講座為我們分享心臟病發精萃的可活命的知識以紀念李孟賢市長，歡迎參加。
