

# DIRECTIONS TO AMBULATORY SURGERY CENTER

The Surgery Center is located on the Plaza level of the Ambulatory Care Center (ACC building) 400 Parnassus. The Plaza level is located below the first floor.

- If coming from the ACC building, simply take the elevators to the Plaza level and follow the signs to the Surgery Center.
- If coming from Parnassus Ave., take the outside steps located between the Parking garage and the ACC building 400 Parnassus. The Surgery Center is to the right as you enter the building.
- If taking the east set of elevators in the parking garage, get off at the I level (Plaza level) and proceed through two sets of doors.
