

WOMEN – Do you experience urine loss when running, jumping, laughing or coughing?

You may have a medical condition known as Stress Urinary Incontinence (SUI)

We are seeking volunteers for a noninvasive and medication free research study of a potential new treatment for SUI.

- Females age 40-69
- Requires two 30-minute office visits per week for 8 weeks
- No cost to participate – \$20 gift card per visit
- All participants will receive treatment that may improve urinary leakage
