

# Match for Maria

Maria is a wife, mother, and one of the sweetest souls you'll ever meet! She is so greatly loved by all those around her. In September, she was diagnosed with chronic myelomonocytic leukemia. Her best chance for a cure is a marrow/blood stem cell donor.

Since Maria is Filipino, her matching donor will most likely be someone who's Filipino/Asian. Her family and friends are optimistic that she'll find her match! A simple form and cheek swab sent to your house is all it takes to become a donor. Register today!

## Register at UCSF Parnassus

November 1, 2018  
11:30AM to 1:30PM  
500 Parnassus Ave  
2nd Floor Moffit Cafeteria
