

Urgent Care vs. Emergency Care 緊急護理與急救

Patient Empowerment Series Part 5 增強患者健康系列

UCSF ASIAN HEALTH INSTITUTE BILINGUAL HEALTH LECTURES

亞裔健康研究院雙語健康講座（英語和廣東話）

What would you do if you get sick during your family doctor's off hours? Should you go to the Emergency Room? Now, there is another option: Urgent Care Clinics. In recent years, many Urgent Care Clinics have popped up in different areas of the city, and offer an alternative to the traditional emergency room for rapid medical attention. To learn more about what medical issues constitute urgent care versus emergency care, please join us for UCSF Professor Paul Nadler's lecture. This is a free and bilingual lecture (English & Cantonese). All are welcome.

如果您在家庭醫生下了班時生病了，您會怎麼做？你會去急症室嗎？幸好現在有另一種醫療選擇：緊急醫療診所。近年來，許多緊急醫療診所已如雨後春筍地出現在灣區內不同的地方，提供傳統醫療辦公時間以外或急症室之外的新一類醫療服務。如要了解更多急症和緊急醫療，請參加加大舊金山分校教授 Paul Nadler 醫學博士的講座。他會在這個講座中與我們分享急症醫療方面的知識。這是一個免費的雙語（英語／廣東話），歡迎各位踴躍參加。

URGENT
EMERGENCY
